Ingredients:

- Mini ice-cream cones
- Choc Ripple biscuits
- Mini M&M's
- Skittles
- Orange writing icing
- Black writing icing

Method:

Step 1. Grab your lollies, mini ice-cream cones and biscuits.

Step 2. Fill the cones with the Mini M&M's and Skittles.

Step 3. Use writing icing to draw a line around the entire top edge of the cone. Stick a Choc Ripple biscuit on top of the icing edge and flip over so the cone stands with the biscuit on the bottom.

Step 4. Using orange writing icing, draw a line around the entire edge where the cone meets the biscuit. Using black writing icing, draw a "buckle" on the front of the hat.
